Item #	Date raised	Question or concern	Response or comment	Status
14.1	3/18/14	It's impossible to see the centerline on Mapleton Drive. Previously requested centerline tabs be added.	<i>The Partnership previously asked the City of West Linn to install the tabs. They were installed, but may have worn off. 4/1/14: Partnership staff contacted the City of West Linn on 3/20/14. West Linn staff instructed inquiries to be directed to Lance Archer, at the City of West Linn on 503-722-5188.</i>	Closed
14.2	3/18/14	When will the candlesticks on Mapleton Drive be going back up and who will fix them?	<i>The candlesticks were removed as part of the City of West Linn water line work. The Partnership has previously requested West Linn to reinstall these once their pipeline work is complete in the area. 4/1/14: Partnership staff contacted the City of West Linn on 3/20/14. West Linn's contractor will reinstall them when the City of West Linn project is complete - sometime in April. For further information, please contact Lance Archer on 503-722-5188.</i>	Closed
14.3	3/18/14	"Vibratory hammer" – process for installing the sheet piles in early February – have you found other methods?	<i>Christian stated that the area for future shoring is on the west side of the existing sedimentation basin and it is to support the new wash water structure. The work was originally scheduled for next year, but it could occur sometime this summer in July/August. The plan for shoring has not yet been determined. Once we have looked at it we will let neighbors know.</i>	Open
